SUPREME™

Find the body that fits your needs

Dry Freight

Whether your customers deliver cargo or haul tools and equipment, we have a variety of Dry Freight truck bodies to meet their needs. Available in cutaway and cab chassis, our trucks serve a number of industries such as general delivery, moving companies, and municipalities.

Choose from our premier line-up:

- Signature Van
- Iner-City
- Spartan Cargo
- Curtainside
- Furniture

Service

Built to save time, the Spartan Service truck body delivers convenience – from compartments and custom shelving to keep your customers organized, to a large, bright work space providing them shelter from the elements while at the worksite. Available on cutaway or cab chassis, the low-profile design allows easy access to cargo and equipment.

Platform/Stake

Simplify the loading and transporting of a variety of weather-resistant materials with Supreme's heavy-duty Platform truck. Add removable stakes for extra flexibility in securing cargo, which your customers will appreciate. Durable and versatile, it's popular with lawn care companies, golf courses, nurseries, farms and agriculture, and park and recreation departments.

Refrigerated

When transporting perishable cargo, your customers need a solution that protects their products and maximizes operating efficiencies: the Kold King. Thermally-efficient, customizable, and built to stand up to the rigorous demands of multi-stop refrigerated delivery, the Kold King is a smart choice for transporting flowers, produce, dairy, seafood, meat, and ice.
